COMPANY OVERVIEW

TattooEmergency911 LLC. Hispanic Minority Owned Business. TE911 is a Mobile Laser Clinic specializing in Multicolored Tattoo Removal and Scar Revision. We can expedite the tattoo removal process and revise scar tissue giving it a more natural appearance. We offer a variety of Laser and Esthetic services and can be in multiple locations with the ability to travel to your location and provide our unique specialized services.

TattooEmergency911 LLC. Is the first in the nation to drive into a Maximum Security Lockup Facility to remove tattoos on inmates to be ink free prior to release, giving them a greater opportunity for success.

We use only State of the Art **FDA Approved Lasers** and Equipment to provide the latest in Laser Technology in the Tattoo Removal Process and CO2 Fractional Process for the Scar Revision.
